SSNIT CONSTRUCTS 5-STOREY LABOUR COLLEGE AS A
CORPORATE SOCIAL RESPONSIBILITY (CSR) FOR THE TUC

Subject: _____

Release: IMMEDIATE

Date: 30TH MAY, 2016

The Social Security and National Insurance Trust (SSNIT) is to construct a five **(5) - storey building** to replace the current dilapidated **Ghana Labour College** at Ridge, Accra as part of its Corporate Social Responsibility (CSR).

The Ghana Labour College is the training institution that handles all the educational objectives of the Trades Union Congress (TUC) which oversees and regulates all the labour issues of the **seventeen (17)** Labour Unions in Ghana. Members of the Unions are the bedrock and contributors to the Social Security Scheme.

The construction will cover a period of **thirty (30) months** and the property when completed will be donated to the TUC who will take absolute responsibility of its maintenance.
