## MEDIA RELEASE

Subject: RELEASE

Release: IMMEDIATE

Date: 30<sup>th</sup> AUGUST 2017

At a meeting held on 30<sup>th</sup> August, 2017 at Pension House, the Board and Management of SSNIT decided as follows:

1. That Dr. Caleb Afaglo, the General Manager, MIS of the Trust be relieved of his position with immediate effect. He is currently on interdiction. Evidence made available to the Trust indicates that the University degrees presented by Dr. Afaglo to secure his employment at the Trust are fake.
2. The Trust will collaborate with Economic and Organized Crime Office (EOCO) to ensure that those suspected of breaches of the Law in respect of the OBS Contract are dealt with in accordance with the laws of the land.
3. SSNIT expects the names of people associated with the I.T. (OBS) contracts to be released in the near future.
4. The Board and Management of SSNIT want to state that they will publish the findings of the PricewaterhouseCoopers as promised at their recent press conference.

We are committed to cleaning up the Trust and rightly positioning it to serve the interest of its stakeholders.

The Board and Management of SSNIT wish to assure our stakeholders – the Contributors, Pensioners, Employers, Organized Labour and the General Public that we will work tirelessly to improve and add value to the fortunes of SSNIT.

DATED THIS 30<sup>TH</sup> DAY OF AUGUST, 2017 AT SSNIT PENSION HOUSE. ##
