11th OCTOBER, 2017

Following the recent statement by the Minister for Works & Housing (Hon. When the flats are completed, SSNIT and the Ministry of Works and Housing would ensure that credible mortgage arrangements are put in place through the banks to enable workers own these flats.

This understanding was brokered at Pension House, under the auspices of the Chairman of the SSNIT Board, Hon. Dr. Kwame Addo-Kufuor, with the following present:

Hon. Samuel Atta-Akyea (Minister for Works and Housing)
