## DISCLAIMER

It has come to the attention of the Social Security and National Insurance Trust (SSNIT) that some unscrupulous persons are calling pensioners under the guise of assisting them to claim “locked up balance of their pension” at a fee.

Management of SSNIT wishes to inform the public to disregard such calls as there is no “locked up pension balance” to be collected. The Trust has **NOT** engaged or commissioned any individual or body to assist pensioners to claim any benefit from SSNIT.

The public is hereby cautioned not to engage any individual or body purporting to act on behalf of the Trust in this regard.

We encourage the public especially pensioners to report such persons to the nearest Police Station or a SSNIT Office.

Management wishes to state further that processing of benefits is free.
