Introduction

T This Client Service Charter aims to outline the obligations of the Social Security and National Insurance Trust (SSNIT or the Trust), towards its Members and Clients. It is our commitment to excellence, outlining the principles and practices we uphold to ensure the delivery of outstanding service to all Members and Clients.

This document also specifies the services and service standards of the Trust, as well as the obligations of Members and Clients. It also provides information on channels for lodging and resolution of complaints. The Client Service Charter is in line with broader Public Service policies of providing quality services to members of the Ghanaian public.

Profile of the Trust

SSNIT is a statutory public institution charged under the National Pension Act, 2008 (Act 766 as amended by Act 883) with the administration of Ghana's Basic National Social Security Scheme. Its mandate is to cater for the First Tier of the Three-Tier Pension Scheme. It is also governed by PNDC Law 247.

The SSNIT Scheme replaces part of lost income of Members due to Old Age, Invalidation or upon the death of a Member, where nominated dependant(s) receive a lump sum payment. It also pays Emigration benefits to non-Ghanaian Members leaving Ghana permanently.

The Trust was established as a corporate body in 1972 under NRCD 127 to administer the National Social Security Scheme. Prior to 1972, the Scheme was administered jointly by the then Department of Pensions and the State Insurance Corporation. The Trust administered the social security scheme as a Provident Fund Scheme until 1991 when it was converted to a Social Insurance Pension Scheme then governed by the PNDC Law 247. The pension industry in Ghana went through major reforms leading to the enactment of Act 766 by Ghana's Parliament in 2008 which was implemented in January 2010. In 2014, the National Pensions Amendment (Act 883) was passed to amend portions of Act 766.

Act 766 makes provision for a contributory Three-Tier Pension Scheme and the establishment of a National Pensions Regulatory Authority (NPRA) to oversee the administration and management of all Pension Schemes in Ghana. Under the Act, SSNIT is to manage the mandatory Basic National Social Security Scheme referred to as First Tier of the
